WHAT IS **CLICKMAIL** BUSINESS EMAIL

CLICKMAIL turns outbound employee email into your most trusted marketing and media channel, by inserting:

01 INTERACTIVE BANNERS

02 SIGNATURES

03 DISCLAIMERS

into every outbound email from your organisation, every time

“ **CLICKMAIL** enables you to run targeted, centrally controlled marketing campaigns to the recipients...
...of your employees' corporate emails ”

CLICKMAIL MARKETING

Email is the primary form of communication used in business and private life. A steady stream of email messages are being sent from your business every day and they are going to a wide range of targets: Existing customers, Suppliers, Family, Friends and sometimes strangers.

You just need to take a look at your own sent box at the end of the day to see all the possible chances you had to send a non interruptive, branded marketing message to someone who is ether expecting your email or is open to receiving your email.

With **open rates of over 98%** and average unique **click-through rates of 10%**, your **CLICKMAIL** enabled emails can:

- Increase sales by driving targeted traffic to your website
- Send targeted offers and promotions using everyday business email
- Cross-sell products and services using multiple banners
- Increase sales using branded confirmation and transactional email
- Track and measure lead-generation from everyday business email
- Improve conversion and click-through rates

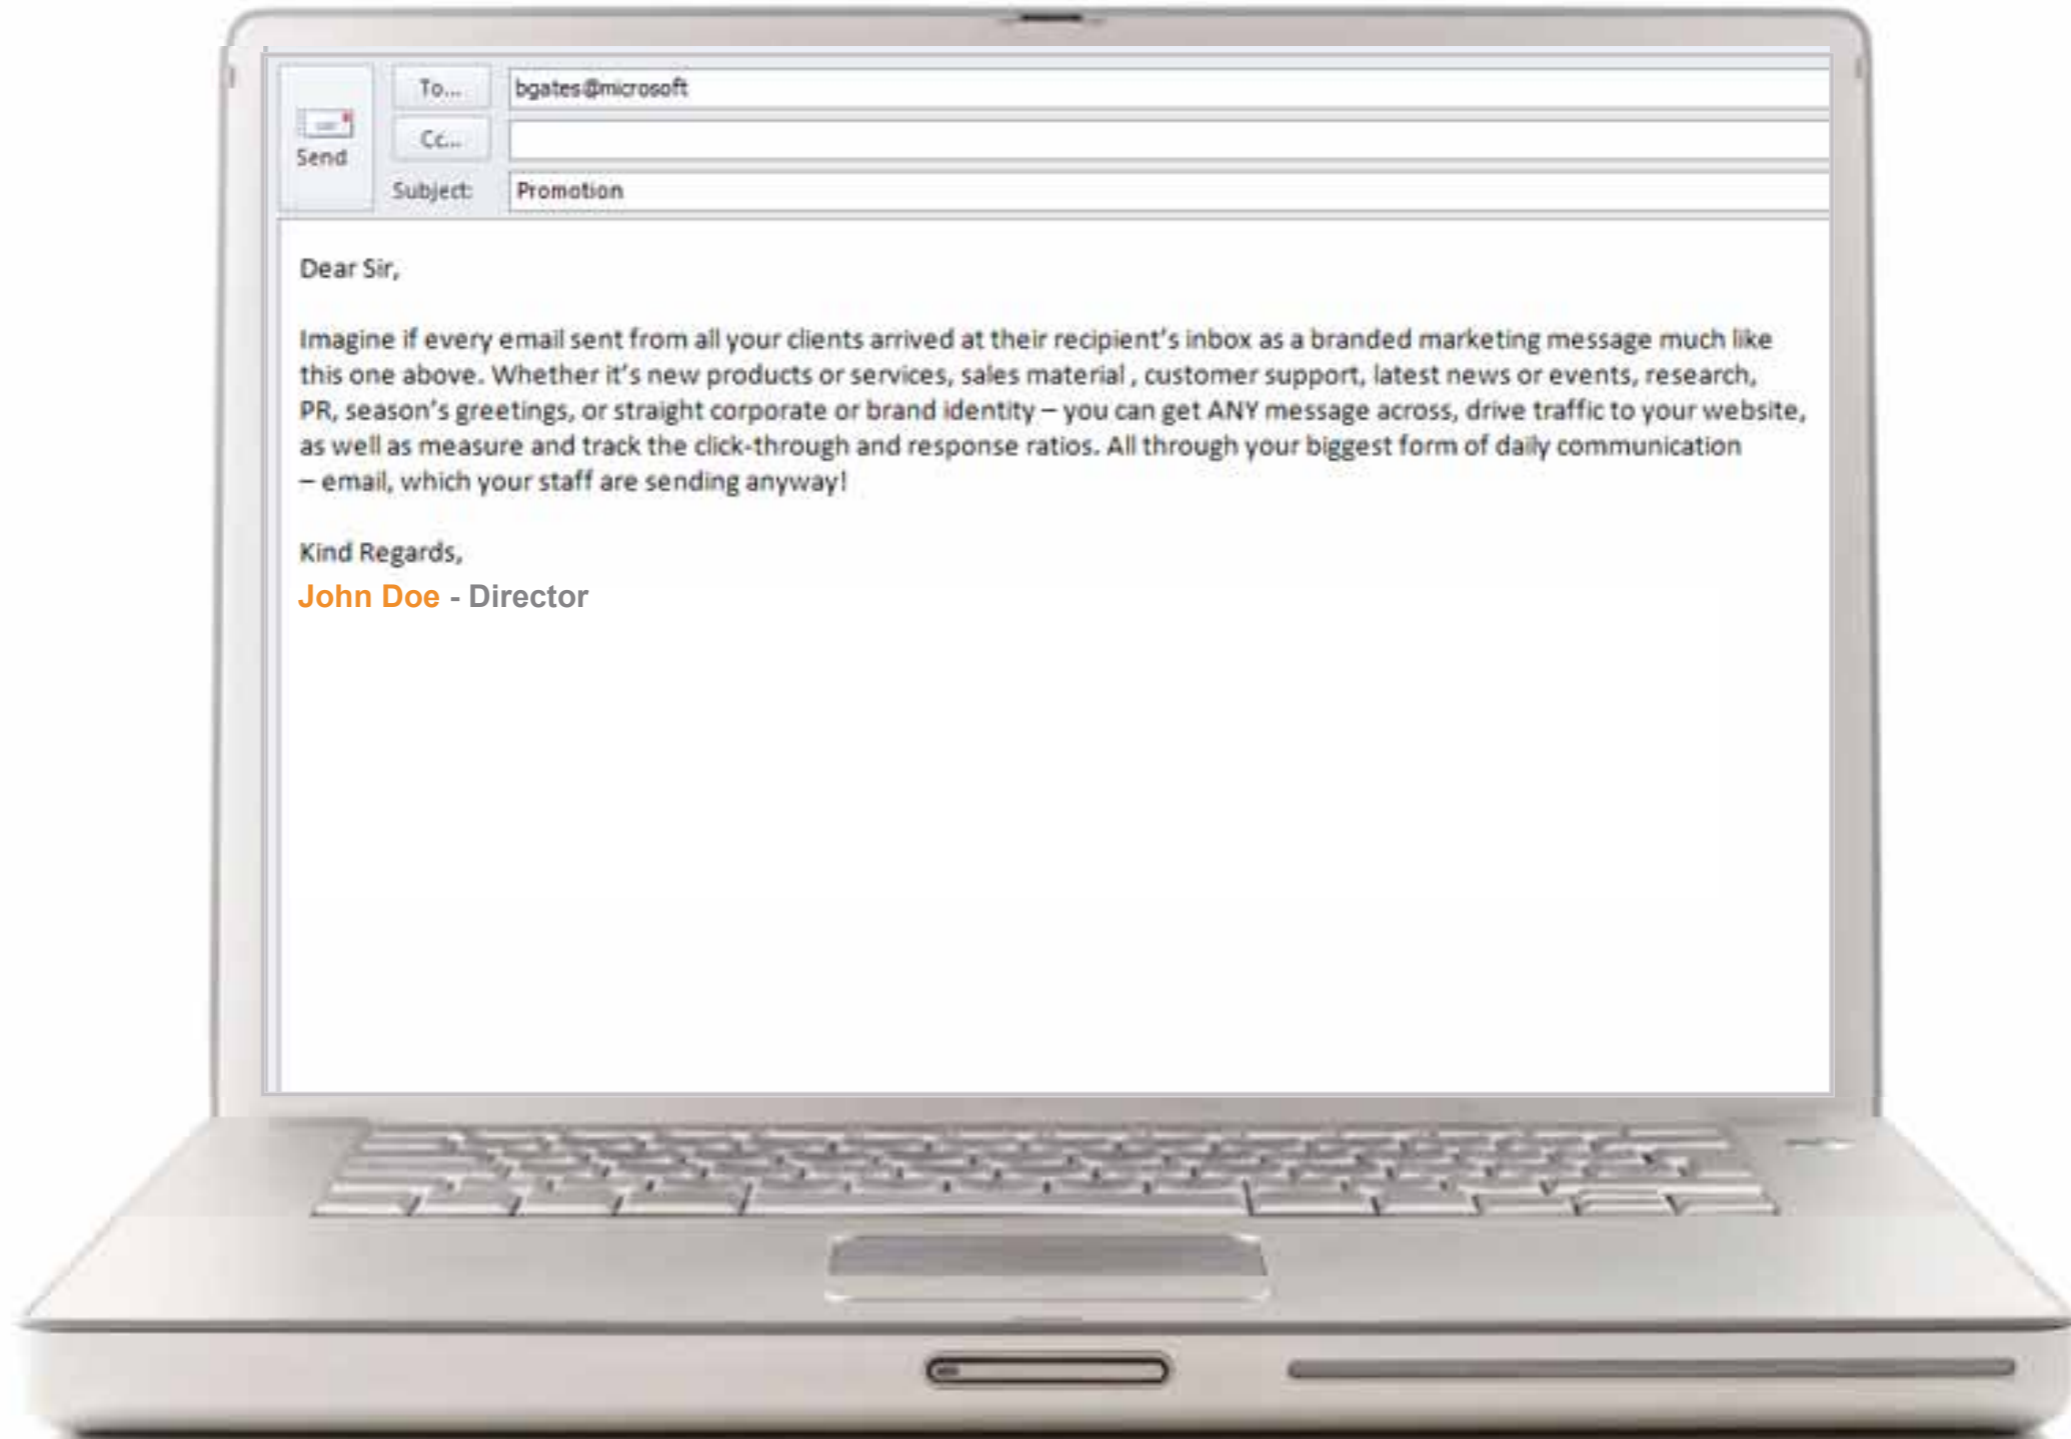

CLICKMAIL BENEFITS
